

Trevor Tuck - DIGITAL STORYTELLING PROFESSIONAL

Denver, CO (remote) | +17193711769 | tpt.trevorptuck@gmail.com | [linkedin.com/in/trevortuck/](https://www.linkedin.com/in/trevortuck/)

I help mission-driven work land with real people. For 8+ years I've turned complex topics into clear, motivating messages and built communities around them through thoughtful engagement, strong follow-through, and content systems that actually ship on time.

MARKETING AND STORYTELLING EXPERIENCE

Marketing & Engagement Lead (Hybrid)

1000 Gretas

July 2021 - March 2022

Boulder, Colorado

- Planned and executed **12 digital campaigns**, increasing donor engagement **158%** through sharper storytelling and channel-appropriate messaging.
- Improved conversion **20%+** by refining the supporter journey across **social media, newsletters, and email** with clear CTAs and consistent cadence.
- Tracked results, partnered with leadership on KPIs, and iterated content based on performance insights to sustain growth

Operations & Strategy Lead

Unlikely Farms

December 2021 - April 2025

Canon City, Colorado

- Grew community participation to **18 recurring home deliveries** and secured **4 local business partnerships** through relationship-driven outreach and consistent audience communication.
- Achieved **98% retention** by building a reliable community engagement rhythm (updates, reminders, feedback loops, follow-ups).
- Increased capacity **30%** by creating repeatable systems that kept delivery, communication, and community expectations on track.

Customer Success Manager (Remote)

Voltus

December 2022 - April 2024

San Francisco, California

- Boosted program adoption **25%** by improving onboarding communications and building clearer content delivery systems.
- Reduced response times **30%** via automated workflows (HubSpot/Salesforce), strengthening trust through faster, proactive communication.
- Increased client satisfaction **15%** by translating complex information into simple, action-oriented guidance and coordinating stakeholder support.
